Dear Parents/Carers

Additional Clothing

We have continued to follow the constantly updated Government guidelines, in the best interests and safety of our pupils.

One of the guidelines is how important it is that we use natural ventilation. This means opening windows, where they do not pose a risk to pupils during lesson time, and opening doors during break time. Internal doors will also be open where possible, to assist in circulating air.

Given the time of year, children may feel the cold more. Therefore, children may wish to wear an additional layer of clothing underneath their school uniform to ensure they are warm.

Please note, the usual correct school uniform must still be worn. The safety of our children is paramount, therefore we would like to assure you that doors and windows will only be open where it is safe to do so.

Yours Sincerely

Mrs L Bridgwood
Headteacher
