Dear Parent/Carer

Goldsmith Primary Academy is an Apple Distinguished School!

We are thrilled to share some exciting news! Recently, we have been working closely with our partners at Apple to apply for the prestigious Apple Distinguished School status. Apple Distinguished Schools are recognised as centres of innovation, leadership, and educational excellence. They use Apple technology in creative ways to inspire, imagine, and transform teaching and learning.

Thanks to the hard work and dedication of our staff in supporting the children at Goldsmith to reach their academic and personal potential, I am delighted to announce that **Goldsmith has been recognised as an Apple Distinguished School for the period 2024-2027.**

Our staff will continue to deliver high-quality lessons, enhanced and supported by the use of iPads. Over the next three years, Apple will work closely with us to ensure we make the most of the technology available to us. Additionally, we will be collaborating with the local community by offering iPad training sessions, online safety workshops, and opportunities for you to engage with your child(ren) in their learning through the use of iPads.

We are incredibly proud of this achievement, which would not have been possible without the passion of our staff, the enthusiasm and skills of our children, and the continued support from parents and carers. We look forward to keeping you updated on all the exciting developments in the coming months and years!

Yours sincerely

Mr S Khan
Assistant Headteacher

Schoolwide Program Recognition
Recognised by Apple as a distinguished school for inspiring,
imagining, and impacting teaching and learning
through continuous innovation.
