Dear Parent/Carer

### **Light Up Lockdown**

Following on from the success of our class birthday parties, and in a time where many people feel like they need something to brighten themselves up, we would like to start a fantastic new initiative:

#### **'Light Up Lockdown'**

We are asking all of our parents, carers and local community members to support us with wellbeing by putting lights up outside their houses (or alternative decorations). This will help to brighten up the day for all passing public members, whether they are on their daily walks, travelling to work or on the way to or from school. We can all play a part in 'lighting up' lockdown.

Please send pictures of your lights to us and any photographs received will be posted on Goldsmith's Facebook page. Pictures can be sent through private Facebook messages or to the postbox email. The Facebook post with the most likes will receive a special Christmas hamper.

Wellbeing is something that is extremely important to us and we would like to spread Christmas joy a little early this year. We will also be hosting a Christmas carol service (socially distanced and spread over the course of a week) so you can still enjoy watching your child in a lovely Christmas performance, in a safe way. Please look out for this letter in the near future.

Take care, stay safe and remember we are here to help whenever we can, not only for our pupils but the whole community.

Leanne Bridgwood  
Headteacher
