

What a great start to the Summer term! Children have come back to school refreshed, full of energy and ready to learn. A big thank you to parents for helping the children get back into the school routine following Easter break.

Please remember, in order to keep our school and community safe, we all still need to adhere to the government guidance that is currently still in place. With the government easing restrictions slowly, it is still important to remember the basics of 'Hands, Face, Space' when in and around school.

On Monday 3rd May, school will be closed due to it being May Bank Holiday. I hope you all enjoy some family time together and look forward to seeing the children back in school on **Tuesday 4th May**.
