It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) (Ofsted 2019 p64) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the [Quality of Education criteria](#) (p41) inspectors consider the extent to which schools can articulate their curriculum (INTENT), construct their curriculum (IMPLEMENTATION) and demonstrate the outcomes which result (IMPACT).

To assist schools with common transferable language this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit [gov.uk](#) for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and sport premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31st July 2021** at the latest.

**** In the case of any under-spend from 2019/20 which has been carried over this must be used and published by 31st March 2021.**

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31st July 2021. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your pupils now and why? Use the space below to reflect on previous spend and key achievements and areas for development.

Key achievements to date until July 2020:	Areas for further improvement and baseline evidence of need:
<p>PESSPA intent has been developed significantly with new curriculum designed, assessment, WAT vision for PE, School Sport and Physical Activity developed. Appointment of WAT PE Specialist has supported these developments from September 2019 and continued employment of full time school sports coach.</p> <p>Good enrichment opportunities for PESSPA in 2019/20. 28 fixtures/ events attended with 107 different children representing the school in 12 different sports. 9 afterschool clubs per week with good attendances of 160 different children attending a sports club. 4 Special events attended to inspire 45 children: All International England Badminton, Commonwealth Judo, University of Wolverhampton Trip and Walsall FC Flagbearing Match. With the Summer figures would have increased significantly.</p> <p>Children have been exposed to a greater range of physical activities and sports. This is leading to more children developing a passion for PESSPA and developing the fundamental skills they need to take part successfully in PESSPA. More work still needed to be done though.</p> <p>The profile and importance of PE, School Sport and Physical Activity of the subject in school has increased.</p> <p>Online PE videos provided by PE Specialist and Sports Coach throughout school closure to encourage families to exercise together at home.</p>	<p>Set up of a gifted and talented PE group (WAT supported) to provide extra support and enrichment opportunities.</p> <p>To provide more opportunities for children who need to develop their PE skills and confidence in PE, increased time with sports coach to improve their skills and confidence.</p> <p>Increase opportunities for outdoor learning experiences during school day with forest school leader.</p> <p>Improve PE equipment and facilities to ensure all pupils have access to improve specific skills and be excited to take part in a range of sporting events.</p> <p>To increase level 1 competition opportunities (+personal challenges) for all and more opportunities for this within school day/ lunch. Formation of house teams to support.</p> <p>Ensure all year 6 pupils who cannot meet government requirements have the opportunity for booster swimming lessons.</p> <p>Pupils are inspired to be active through providing physical activity, wellbeing and sports days.</p> <p>To develop more Leadership opportunities for pupils through play leading, sports leaders qualification and higher profile School Games Crew.</p> <p>Improve parental engagement for physical activity and sport.</p>

Did you carry forward an underspend from 2019-20 academic year into the current academic year? **NO**

<p>Meeting national curriculum requirements for swimming and water safety.</p> <p>N.B Complete this section to your best ability. For example you might have practised safe self-rescue techniques on dry land.</p>	
<p>What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?</p> <p>N.B. Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2020.</p>	16%
<p>What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?</p>	9%
<p>What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?</p>	56%
<p>Schools can choose to use the Primary PE and sport premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?</p>	No
